

SuperTac Matting

This hassle free, self-adhering mat is 100% recyclable and disposable. SuperTac matting also helps prevent slips/falls in wet or oily areas.

- Keeps floors dry, moisture barrier keeps liquids from soaking through to the floor.
- Stays in place, adhesive backing keeps mat flat and in place, even with heavy cart and buggy traffic or floor scrubbers.
- Easy to install, cut individual mats from the roll as needed.

- Safety Knife

ADDITIONAL INFORMATION:

- Fiber produced from 100% recycled plastic bottles.
- Keeps Floors Dry - Moisture barrier keeps liquids from soaking through to the floor.
- Stays in Place - non-staining adhesive backing keeps mat flat and in place, even with heavy cart and buggy traffic or floor scrubbers.
- Odor Resistant - Anti-microbially treated for protection from odors and bacteria growth.
- Dries Quickly - Mat dissipates water quickly for fast drying time.
- Easy to Install - Cut individual mats from the roll as needed.
- Hassle Free - Can be left in place during daily cleaning; floor scrubbers, vacuums, and mops will pass right over without causing damage.
- Will perform for up to 6 months under normal use.
- 100% recyclable or disposable.
- Absorbent mat stands up to heavy foot, industrial vehicle, wheeled and forklift traffic in aisle ways and walkways
- 100% Made in the USA
- ADA - compliant and low profile, eliminates trip hazards caused by traditional rubber-backed floor mats.

ENVIRONMENT

Portico System does not use any substances currently included in the SVHC (Substances of Very High Concern) list under REACH (Registration, Evaluation, Authorization and Restriction of Chemical substances) in any matting products.
